the metro:
EPFL stop

ENJOY A UNIQUE FAMILY EXPERIENCE

SwissTech Convention Center, EPFL, Ecublens

Join us at the MINT Vaud exhibition to explore the fascinating worlds of mathematics, computing, natural sciences, and technology.

- **+50 experiences** for children (aged 8–12) and their family
- **8 worlds** to uncover: space, robotics, energy, computing, science, watchmaking, construction, and fun maths games
- **+50 stands** to explore, discover, learn, tinker, and take on challenges
- **1 venue** where you can learn and have fun

The whole family goes free when you book online or on site

For bookings and information about your visit go to:
